

TRIBUTE TO LAMAR HIGH SCHOOL
GIRLS BASKETBALL CHAMPIONSHIP

HON. BOB SCHAFFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 19, 1998

Mr. BOB SCHAFFER of Colorado. Mr. Speaker, I rise today to recognize the outstanding accomplishment of the Colorado Class 4A State Girls Basketball Championship Team, the Savages of Lamar High School. The championship game of March 7, 1998 was the culmination of a perfect 25-0 season.

There are many reasons this victory is so special for the team which hails from Lamar, an agricultural town of 8400 proud people in Colorado's Fourth Congressional District. They are proud of the fact that two of these fine athletes, Britt Hartshorn and Diane Dittburner, have been named "All-Americans." They are proud of the fact that their team had the strength and fortitude to overcome a 10-point deficit in the second half of the championship game. They are proud of Coach Dennis Bruns, who started the girls' basketball team in 1975 and has devoted the subsequent 23 years to the girls' athletic and academic excellence. They are proud of the fact that the Savages have won 96 of their last 100 games. But what makes them most proud of all is that this team has done what no other has—win four consecutive state championships.

This victory is an inspiration to all in high school athletics who strive for excellence and achievement. What these girls, from the plains of Colorado, have shown to all of us is that great talent and ability span across the state, the great state of Colorado and I ask the Congress to join me in congratulating these tremendous high school athletes and their dedicated Coach.

TRIBUTE TO DR. JOHN DONOHOO

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 19, 1998

Mr. PORTMAN. Mr. Speaker, Georgetown, Ohio lost one of its finest last week: Dr. John Donohoo—known to his many friends, neighbors and patients simply as "Dr. John."

Dr. John was an old-fashioned family doctor in the finest American tradition. Throughout the 37 years he practiced medicine, if you happened to be sick, he came to your home. His fee was whatever the patient could afford; sometimes it was cash, other times it was a chicken or maybe some homegrown produce. There aren't many like him left.

A Georgetown native, he served in World War II as a medical technician before receiving his undergraduate and medical degrees from the University of Cincinnati. Dr. John dedicated a great deal of his time and leadership to the Brown County community. He served as a board member for Brown County Hospital; President of the Georgetown Exempted Village School District for nine years; and President of the Brown County Board of Health. He was also a member of the Georgetown Village Council; Chairman of the Brown County Courthouse Reconstruction Associa-

tion; and an elder and choir member of the Georgetown Presbyterian Church. He loved horses and helped to found the Brown County Charity Horse Show, as well as owning and operating Donohoo Stable for 28 years.

Dr. John gave so much to so many throughout Brown County, but he will be missed the most by his family: his beloved wife of 55 years, Betty Donohoo; his children J. Michael Donohoo, Deborah Durbin and Dr. Jeffrey Donohoo; his mother Mary Donohoo; and his four grandchildren.

Mr. Speaker, Dr. John Donohoo represented the highest ideals of the medical profession. Throughout his life, he worked to make his community a better place to live. I salute his many contributions and offer my deepest sympathy to his family and many friends.

IN HONOR OF MR. CARL VAIL OF
SOUTHOLD, LONG ISLAND, NY

HON. MICHAEL P. FORBES

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 19, 1998

Mr. FORBES. Mr. Speaker, rare is the occasion when one person so defines the character of a place, but I stand here today reflecting on just such a man, Mr. Carl Vail, of Southold, Long Island, New York. A man of great dignity and integrity, someone who held dear his Long Island home and served his country with special distinction, Carl Vail was someone that made you feel proud to be an

American. That is why it is with great sadness that I inform my colleagues in the U.S. House of Representatives of the passing of Carl Vail, at 102 years of age, on Thursday, March 12, 1998.

Born on August 12, 1895, Carl Vail lived his life as a reflection of the view that our national and familial legacy are gifts to nurture and pass on to our sons and daughters. The Vails are one of Long Island's and America's longest reigning families, having served and protected this land since the early 1700's. A Vail has fought in nearly every American conflict since the French and Indian War. Just last year, Carl discovered that he was a descendant of Christopher Vail who fought in the Revolutionary War. His own son Everett flew B-24s in World War II and his seven grandsons served during the Vietnam conflict.

That tradition of service and patriotism ran deep in Carl Vail, who left the family's Southold farm to join the U.S. Army in December of 1917 and served his country in World War I. Carl was wounded in combat a month before the war ended after an enemy mustard-gas attack in France's Argonne Forest. Due to lost paperwork and a modest regard for his own heroic service to our country, Carl did not receive his Purple Heart until 1982. Until he passed away, Carl Vail was one of two dozen surviving World War I veterans living in Suffolk County.

After courageously serving his country, Carl returned to Southold, where he and his brother started a Hupmobile franchise, the beginning of an automobile sales business that lasted nearly 70 years. Generations of East Enders purchased their cars from Vail Brothers in Southold, Vail Motors in Riverhead and Seavale Motors in Southampton, dealerships that sold 20 different makes of cars, from Packards to Hudsons to Model T Fords.

I am proud to have come to know Carl during my service as a Member of the Congress representing Brookhaven, Smithtown and the five East End towns of Suffolk County. Born and raised in the same East End community, I can tell you that Carl Vail was the epitome of Eastern Long Island: friendly, proud, independent-minded and loyal to the core of this place to which the Vail family was such an integral part.

Carl Vail was a spirited man who cared about our community and participated in it to the last hours of his 102 years. May God bless and keep him. He will be sorely missed by all who knew him and all who so dearly love the East End.

[From Newsday, Mar. 17, 1998]

CARL VAIL, WWI VETERAN, DIES

(By George DeWan)

The Vail family name is one of Long Island's oldest, and a Vail has fought in most of America's wars going back to the French and Indian War in the mid-1700s.

On Thursday, Carl Vail of Southold, who was gassed as an infantryman in France in World War I and was one of about two dozen surviving World War I veterans in Suffolk County, died at 102. He passed away at the Veterans Affairs Medical Center in Northport after an eight-month illness.

Vail was best known on the East End for the automobile dealerships he founded: Vail Brothers Inc. in Southold, Vail Motor Corp. in Riverhead and Seavale Motors in Southampton. He had sold 20 makes of cars—including Packard, Willys, Nash, Hudson, Maxwell and Model T Ford—and became one of the top dealers in eastern Suffolk.
